Dear Michael Jones:

The Used Tire Hauler Registration (“Registration”) identified above is hereby issued to New Prime, Inc. to engage in used and waste tire hauling in the State of Illinois, utilizing only the vehicles identified in the Used Tire Transportation Registration Application (UTTRA) received by the Illinois EPA on 3/31/2025.

This Registration is issued in accordance with 35 Ill. Adm. Code 848.Subpart F of the Illinois Pollution Control Board’s regulations. This Registration is valid from the date of this letter through 4/30/2027, for all vehicles listed on the UTTRA. There are currently 102 vehicles registered to your Used Tire Hauler Registration. Please count your enclosed expiration seals. If seals are needed because the originals are damaged or destroyed, send a letter explaining the need for additional placards and fragments of the destroyed seal(s), along with photographic documentation, and we will replace the seal(s).
